

## ANZAC egg carton poppy wreaths

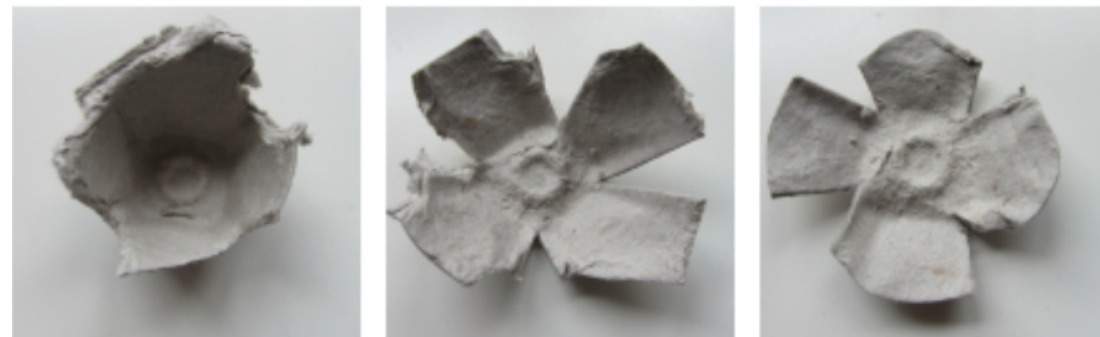

### You will need:

An egg carton, scissors, red and black paint, a paper plate, a stapler, a marker, some paint brushes, ribbon for hanging and lots of white glue.

### What to do:

Start by cutting your egg cartons into flowers.

Paint the egg carton **red** with a black centre

Cut the middle of a paper plate out (this will be the wreath). Paint the paper plate ring **green** if you have green paint, otherwise leave white

Wait for the poppy's to dry and then glue them onto the paper plate ring

Tie some ribbon to the top of the paper plate to hang the wreath, or simply place the wreath over a door handle or hook.
